Kate,

Please see the information below that you should forward to the EPA contractor. We'll do voice over the audio conference info below...and they just have to open the link to see our slideshow.

We'll use our hotspot.

The meeting starts at 9 am. We will arrive closer to 8 am to get through security and get everything set up. I hope that works.

Alison

Alison,

Join me can be very weird with meetings so the information might be different on the day (we have run into this before)

Here is the meeting information:

**Join the meeting:** **Ex. 6 - Personal Privacy**

On a computer, use any browser. Nothing to download.

On a phone or tablet, launch the [join.me app](#) and enter meeting code: **Ex. 6 - Personal Privacy**

**Join the audio conference:**

Dial **Ex. 6 - Personal Privacy**  
Access Code **Ex. 6 - Personal Privacy**

I will start the voice systems from the phoenix office if need be or it can be done in San Diego.  
Stephen & Becky know the leader codes

**Subject:** RE: Join Me

OK, do you want to set up the meeting for Nov 8 and then we can give the info to EPA and they can pass on to their contractor? I would like to do this sooner rather than later....

AJ

Alison,

Not necessarily, There are 2 ways to use Join me:

Login to the account from any internet browser and it should open for the screen (it will download a temp. application to run it that can be removed after the meeting)

Have the program installed on the computer

Both are web based and work about the same just with a few extra steps if they don't want it installed on the computer

**Subject:** Join Me

Shelby, does the EPA contractor need to have Join me on their computer? Or can we just forward a link that they would open in their web browser? I am not sure how it works. I need to finalize the details with the EPA contact so they can pass the info to their contractor. We are not allowed to contact them ourselves.

Thanks,

**Alison H. Jones, R.G.**
